

4 bedroom villa

4bed/3bath

Lovely family villa located just above the Golden Mile of Marbella within 5 minutes' drive to Marbella centre and beach.

The house boasts quite private and discrete position in a cul de sac and offers stunning uninterrupted sea views. It comprises of entrance hall leading into the beautiful open plan lounge with dining area and large fireplace with access to the covered terrace and lovely outside chill out area overlooking the pool. Further on there is a fully fitted kitchen with access to a private terrace and outside lounge. The master suite with fireplace is located on the ground floor along with large walk in dressing area and includes staircase with access to its own private roof terrace, ideal for relaxing in the sun enjoying the 360 views over the mountains and the sea. Ground floor also includes 2 further bedrooms and a bathroom. Lower level offers additional bedroom and bathroom which could be used for guest or staff accommodation.

Heated salt water pool
